ABOUT PGSTEM HUB

We envision a community where STEM literacy is universal, diverse talents thrive, and students and residents of Prince George's County, MD, navigate pathways to cutting-edge careers—fueling local industries and empowering the next generation of innovators. The PGSTEM Hub is the central catalyst and connector for advancing K-16+ STEM education and workforce development across Prince George's County, MD.

PARTNER FEATURE - CYBER GREEN GROUP

Cyber Green Group is a nonprofit organization based in Prince George's County, Maryland. Founder and DSEC STEM Ambassador Alumni, Melvin Stallings has a focused mission to forge pathways for youth in STEAM fields, concentrating on project-based learning in green space, cyber security, AI, radio-controlled cars and drone technology. The Cyber Green Group fosters an environment where innovation thrives, enabling students to navigate and shape the ever-evolving technological landscape.

With a steadfast commitment to mentorship and entrepreneurship, the Cyber Green Group empowers educators and students alike to become problem solvers and creative innovators of tomorrow. Since 2022, they have impacted over 12,000 students and 200 educators. As a DSEC STEM Ambassador, Melvin has leveraged his non-profit to increase collaboration with many organizations to include the National Society of Black Engineers, Walter Reed Army Institute of Research, NASA and other STEM focused organizations. For more information, please contact Melvin Stallings at mstallingsjr@gmail.com.

PRINCE GEORGE'S COUNTY RC LEAGUE CHAMPIONSHIP

Prince George's County Parks and Recreation and Manhood 101 sponsored the inaugural Prince George's County remote-controlled race car championship on April 18th at the Bowie Baysox Ballpark.

The championship and STEM Community Day attracted over 200 students, families, sponsors, community leaders, and organizations such as the Fire STEM Organization, Athletes Without Borders, NASA, and Learning Undeafened who provided their "Drop Anywhere Mobile Lab" as one of the attractions.
